CRUSADERS

# FROM THE DESK OF THE PRESIDENT
# MARK DONAHUE '74

On behalf of our students, families, faculty and administration, thank you for your support over the past year. You continue to make a difference in our student experience here at Brother Rice High School.

As we enter 2023, our school community is enthusiastic about our future! We continue to build a strong foundation financially and also to continually improve our student and family experience. Our school enrollment this year is at 670 boys, a slight increase over last year. We have experienced incremental growth in each of the last three years. We have specific strategies that support Brother Rice as a "destination", i.e. increasing our student body with a more geographically diverse group of boys. These strategies are enabled by a stronger transportation plan, from the South/Southwest suburbs, our West/Southwest cities such as Darien, Western Springs, and LaGrange, and also from select locations in the city of Chicago.

Led by our principal, Mr. Bob Alberts, we are continuing our strong performance academically. At the end of the first semester, 80% of our student body had achieved honor roll status. Our mission and Essential Elements of an Edmund Rice Education, the guideposts for us here at Brother Rice, ensure we successfully serve a diverse population of students. This includes meeting the needs of a range of academic abilities, whether through our FOCUS program or our Honors programs.This is a tribute to our academic leadership and faculty.

Over the past year, our students have experienced a great deal of success in various clubs, activities, and athletics. Over 93% of our students are engaged in some program outside of their academic schedules. Our commitment to single gender education provides the best environment for boys to be engaged, to grow, to mature, and to learn both spiritually and academically.

Our school has a unique "charism" (a special gift or grace from God) that supports a sense of spiritual community, often referred to by our students as a brotherhood. When asked to speak about their experience at Brother Rice, inevitably our students talk about their sense of brotherhood, how they treat one another, and the sense of belonging to something special. Over the last four years we have rebuilt our north campus, refreshed both our chapel and faculty lounge, resurfaced our athletic field, completed a full fitness/weight room renovation and reconditioned a number of classrooms. The Board of Directors and I have begun a process of planning to ensure our facility is stable and functioning well for future generations of Crusaders. We have some exciting plans we will unfold over the next couple years, and I look forward to sharing these with you in the future!

Your support of Brother Rice High School is one of the best investments you will make in helping improve our world. We are living our mission every day here at school, consistent with Blessed Edmund's vision to, "educate these boys to be good Catholics and good citizens."

Thank you again for your generosity. We are most grateful for your support. May you have a safe, healthy, and prosperous 2023.

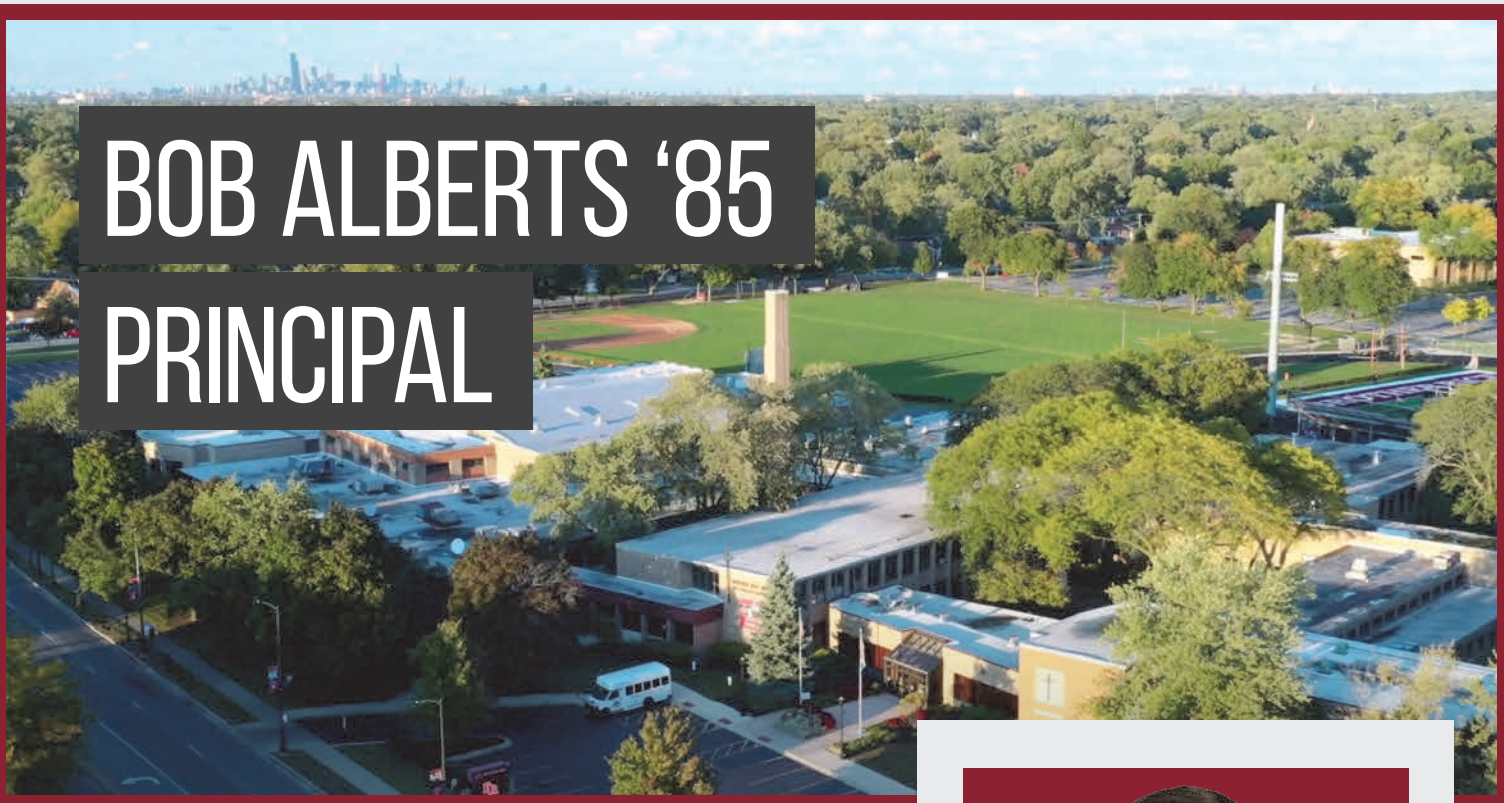
# MIKE ZUNICA

## DIRECTOR OF ADVANCEMENT
## ASSISTANT TO THE PRESIDENT

This past year again was inspirational as our alumni, friends, and families helped us continue on our upward path. Our fundraising efforts surpassed last year's record-breaking year, making tuition more affordable to our families and also allowing us to continue to enhance our beautiful building and campus.

With your help we have accomplished so much, especially in regards to the first phase of our *Heed the Call* capital campaign. We have received positive feedback from our alumni, families, and even our neighbors in regards to all of the recent improvements. As is always the case, there is more to accomplish, and we are working diligently to kick-off the next phase of our *Heed the Call* campaign. Our plans for our next steps will be shared in the next few months and we are excited about what the future holds.

We all know that enhancing our buildings and grounds is necessary, and our students truly benefit from those improvements. More importantly, though, is the fact that your donations allow all of us at Brother Rice to continue to make a Catholic education affordable to our families in need. The "Brotherhood" is alive and well, and opportunities for our students and their futures are being created on a daily basis. Lives are being positively impacted and changed for the good. If you believe in the "pay it forward" theory, those changes will benefit many generations to come. We are sincerely grateful to you for partnering with us to make all of this a reality as we deliver on one of the greatest gifts you can give our young men - a Brother Rice Catholic education!



# BOB ALBERTS '85 PRINCIPAL

## From the Desk of the Principal

As I reflect on 2022, I can't help but think of how lucky I am to be the principal of Brother Rice High School. Our students, faculty, coaches, and families are second to none. I am always amazed at the dedication, love, and devotion the Brother Rice community shows daily.

The graduating class of 2022 was an extraordinary group. We had 143 graduates in the class, including:

- 18 students in Club 30 with an ACT score of 30 or better
- 17 Illinois State Scholars
- 66 students graduating with honors
- 48 students graduated with a student/athlete award for playing a varsity sport and maintaining a cumulative GPA of 3.5
- 19 seniors graduated with an APEX diploma
- 11 students received a STEM diploma
- And we had an IHSA All-State Academic team member

What a special group of young men!

Athletically we had a great year. Wrestling won the sectional championship and advanced downstate as a team, and we had an IHSA individual state wrestling champion. Baseball won the Catholic League Championship and finished in 3rd place in the state, and our new football coach took the team to the state quarterfinals. Our cross country team made it to the state finals.

Our bowling team just won the Catholic League championship as sophomore Jeremy Gasca bowled a perfect 300. Basketball is currently ranked in the top 10 in the state.

Spiritually, we have continued our all-school mass once a month, had guest speakers, and conducted retreats for our students. We went on immersion trips to Peru, Tennessee, and Texas and will be going again this year. Our junior students are planning advocacy projects, and our peer ministers recently recorded daily reflections on Advent and posted them on YouTube.

We have added numerous student life activities for our students. Events include a bags tournament with Mother McAuley, where over 100 teams participated; a flag football tournament with over 200 students, a trivia contest with Mother McAuley, an intramural basketball league with 16 teams, and numerous clubs and activities. There is something for everyone at Brother Rice.

# GO CRUSADERS!

# FACULTY SPOTLIGHT AMY GUZEK

Meet Mrs. Amy Guzek!

Mrs. Guzek is the Director of Brother Rice's FOCUS program, designed for Crusaders who are approaching grade-level, core-subject mastery, but need a little more academic support. Working in smaller class sizes and at a more deliberate pace, FOCUS teachers help students practice skills and strategies that lead to more academic successes, ultimately bridging learning gaps.

Before taking over the program in Fall 2021, Mrs. Guzek had over a decade of experience teaching in the public school sector, and she has helped rejuvenate academic resource support at Brother Rice. The beehive of activity in the Resource Room over the past few years is a clear indication of Mrs. Guzek's enthusiasm for helping students who require that extra support.

As Mrs. Guzek puts it, "The goal of the FOCUS program is not to have a FOCUS program." Indeed, by the onset of their junior or senior years, all FOCUS students have fully transitioned to college-preparatory classes that move at a more rigorous academic pace.

Mrs. Guzek also promotes increasing generalization skills, so students can transfer their learning to new environments. A priority has been helping students foster advocacy for their own learning, a necessity made even more apparent because of the recent pandemic.

But the most important impact has been Mrs. Guzek herself. Her passion and enthusiasm are contagious, as any of her regular students will testify, and her approach revolves around having the same curiosity and drive she wants to see from her students. "Mrs. Guzek helped me 'get it,'" one of her students said about the guidance he received for a recent assignment. "She breaks it down and asks me questions that help me see things a little differently than I do just in the regular classroom. The one-on-one attention really makes a difference. She is awesome!"

Mrs. Guzek has three Crusader sons Jack '17, Ben '21, and current senior Trent '23.

# STUDENT SPOTLIGHT

## Savaun Jones

Class of 2023

**Savaun Jones ‘23 (St. John Fisher) is one of the finest young men that the Crusader Class of 2023 has to offer. A spectacular leader, Savaun exceeds the mantra, “Be Exceptional” in many ways!**

At Brother Rice, we challenge our students to “Be Exceptional.” Savaun lives up to that daily - inside the classroom and outside of school. Savaun’s academic record (4.2 GPA, ranked top 20 in class, recognized as a Posse Scholar) speaks to how tremendously he performs, but doesn’t accurately capture the passion he holds for his education. He believes that he can do so much more than what his record shows. Every day, Savaun looks to better himself by implementing new learning and studying strategies that will help him in high school and beyond. In Savaun’s words, “I have yet to reach the peak of what I am able to accomplish.” Computer programming is something Savaun has had a profound interest in since he was a young child. This allows him to use his outstanding creativity while solving a problem given by his teacher. This past summer, Savaun participated in ‘‘The Joy of Coding’’ course hosted by the University of Michigan and truly found his calling. In this course, he was able to learn about coding power apps such as Snapchat, Instagram, and TikTok. He was even able to publish his own fitness application through the Google Play store.

Savaun is an incredibly active young man in his extracurricular activities. He has been a four year member of both our swimming and tennis teams. He has also been a student council member and a fundraiser for our Advocacy Club his entire Brother Rice career. Outside of school, Savaun has been a volunteer at the Evergreen Park Public Library, helping to coordinate youth events such as book fairs and scavenger hunts.

Savaun is also a mentor at the Omega Y.E.S. program which allows young African American men to mentor their peers. Savaun uses his story of growing up in a single parent household to connect with the mentees. Along with adult mentors, he actively teaches the mentees about organization, respect, and faith - all cornerstones of what makes Savaun so successful inside and outside of Brother Rice.

Perhaps Savaun’s proudest accomplishment is being named a “Chick Evans Scholar” by the Western Golf Association. Savaun counts his caddying time at Beverly Country Club as the most impactful experience date. In addition to teaching him organization and accountability, he has learned patience and tranquility. Savaun shared stories of caddying long, hot days in the sun only to sit around the caddyshack waiting for another loop. Savaun learned the responsibility of being a leader. He believes that he needs to set the example for new caddies both on the course, where his kind and courteous nature have allowed him to be promoted to ‘‘Honor Caddy’’, as well as off the course, teaching the caddies about patience and perseverance. Overall, caddying has taught him about working toward and accomplishing goals.

**Brother Rice is extremely proud of Savaun and his accomplishments. His dream is to attend the University of Michigan and major in Computer Science. Good luck, Savaun, and thank you for being EXCEPTIONAL!**

# HEED THE CALL
# OUR WORK THUS FAR

## Tom Mitchell Field at Gary Little Stadium

The kick-off project for the Heed the Call Campaign was a much needed resurfacing of the 11 year old synthetic turf. Mitchell Field serves most of the student body as well as Mother McCauley and countless grade school students. Programs benefiting include gym classes, student activities, band, soccer, football, lacrosse, rugby, track and field and it also serves as an outdoor fieldhouse for pre-season baseball training.

COMPLETED

## e-Sports

One of the newest renovations at Brother Rice, the eSports room, was completed this past July and is equipped with a dozen ASUS gaming computers, corresponding ergonomic swivel chairs, several large monitors, and a lounge area. Players sometimes bring their own controllers to use as well. The idea for an exclusive eSports classroom was based on need and other factors. We also needed a place to house our teams and equipment, and, being a team sport, having the teammates in the same room working together is crucial to our success.

COMPLETED

## Weight Room

In addition to the obvious upgrade to the aesthetics, other significant improvements are immediately noticeable in a variety of areas, as Coach Michael Cano explains: “The ability to implement an exercise for ten or more players at once is crucial for training large teams. We’ve increased the number of racks from six to ten, while also increasing floor space with inlaid platforms. We’re also bringing in 18 iPads, as well as the TeamBuildr sports performance tracking platform, to guarantee that our programs are tailored to each individual. Simply put, the days of four or five kids standing around simply bench pressing and squatting are over!”

COMPLETED

## Chapel

Our *Heed The Call* Campaign Includes updates and refreshes all around the school, that includes the heart of Crusader Spirituality, our chapel. Along with a fresh coat of paint and new seating, we have revamped the presentation of the sanctuary. This refresh is a small but important step in updating the look and feel of Brother Rice.

COMPLETED

# WHAT'S NEXT

**Renovated cafeteria and student lounge space**
Our students begin to arrive at 6 a.m. and often, with activities, clubs and athletics are here into the early evening. Students use this space for dining, study, and informal gathering.
(budget estimate-$1.5 million)

**Expansion of our counseling/college prep area**
In surveying parents and alumni, this emerged as a strong opportunity to provide both greater access and depth to our students and families as they prepare for college and the next steps after high school. Our current counseling space is unchanged since the 1960's.
(budget estimate $400,000)

**The construction of an Innovation Center, converting the current BRHS library**
The new center will offer students the opportunity to build their engineering skills and create a workspace for a diversity of talent to test, share and research projects. There will be a new classroom supporting our Project Lead The Way program. PLTW supports computer science, engineering, and biomedical science. A classroom where students learn to solve problems, think critically and creatively, communicate, and collaborate. This new Center would also include enhanced facilities such as a renovated broadcast studio for BRTV and Brother Rice Media; enhanced informal learning areas/pods for students, etc.
(budget estimate - $3 million)

**Re-position and provide artificial turf for our baseball field**
Our current field requires significant upgrades for both improved fan safety along with viewing space. A "turfed" field is ready to play, low maintenance and less expensive over time.
We have 100 students involved in our baseball program which is a significant draw for student enrollment. (budget $1.6 million)

**Continued classroom renovation**
Required for both basic facility improvement and also to allow for greater flexibility in our learning environment. We have begun some renovation of classrooms and will continue as we go forward. (budget $40,000/classroom)

# SPORTS WRAP UP

## NEW FACES IN THE ATHLETIC DEPARTMENT
## WELCOME TO BROTHER RICE!

### Conte Stamas
### Basketball

"When I was hired, I immediately had a team meeting and we talked about my vision, philosophy, and my expectations. We have also had open gym workouts and weight lifting workouts, so I'm getting to know them on a personal level."

### Danny Lawler
### Lacrosse

"I want Brother Rice to be where kids want to come play lacrosse on the southside. I am very eager to take on the role of head coach for Brother Rice Lacrosse this year! I'm looking forward to getting to know all the players and taking this program to the next level."

### Michael Fahey
### Athletic Director

"I am thrilled to be given this opportunity to lead an athletic department with such rich tradition and successful programs. I am looking forward to continuing that tradition in working to develop our teams, coaches and student-athletes. Go Crusaders!"

CRUSADERS ARE CHAMPIONS

## SOCCER

Crusader Soccer finished the season with an overall record of 7-12-3 and a conference record of 2-2-2, finishing in 3rd place. The young Crusaders also retook the Pulaski Cup beating Marist 2-1 and the Markulin cup beating St. Rita, 4-2. Four varsity players were named All Catholic League: sophomores Jimmy Gricus, Angelo Piech, Julian Zambrano, and junior Bruce Harris. Four players also received IHSCCA awards. Jimmy Gricus '25 was named All-Sectional. Angelo Piech '25 was named All-Sectional Honorable Mention. Mason Mroz '23 received the All-Sectional Sportsmanship award. Mateo Del Bosque '23 was named to the All-Sectional All-Academic team. The young Crusaders look to improve on this season's campaign in the 2023 season with a majority of contributors returning.

## FOOTBALL

The 2022 football season came with a lot of unknowns. From a new head football coach, new scheme, new players, and new philosophy, the season ultimately ended better than multiple media outlets predicted. We saw many inexperienced student-athletes earn playing time where they contributed to a stout run defense and an offense that continued to improve as the weeks progressed. Although the Crusaders fell short of their team goal, the 2022 season laid the foundation for what is to come in 2023 and beyond. The future of Brother Rice Football looks bright as the new staff looks to continue to build off the momentum of the past.

# CROSS COUNTRY

The 2022 Cross Country team enjoyed a historical season! The Crusaders won their 4th IHSA Regional Championship in the last 5 years. The following week, they became just the 7th team to qualify for the state championships in school history by placing 4th at the Metamora sectional. The cold, windy, and muddy conditions at Detweiller Park in Peoria, were perfect for the ‘‘Running Ugly’’ harriers as they had a strong showing, finishing 21st overall. The top performer for the Crusaders all season was junior Charley Duggan. Duggan earned All-Catholic League honors by placing 12th in the CCL meet, and earned All Regional honors taking second. Duggan finished the season with the 10th best time for a junior in school history. Gavin O’Connor also earned All Regional honors placing 3rd. Gavin was undefeated in Frosh/Soph races this season including winning the individual CCL title. Gavin owns the sixth best sophomore time in school history.

# BASEBALL

Set school record with 36 wins (36-6)

Won Chicago Catholic League Blue (16-2)

Won 6th consecutive Regional Championship

Won 2nd consecutive Sectional Championship

Won Super Sectional (2nd time in school history)

Finished 3rd in IHSA 4A State

Beat 5 teams ranked #1 from different states (IL, KY, FL, IN, TN)

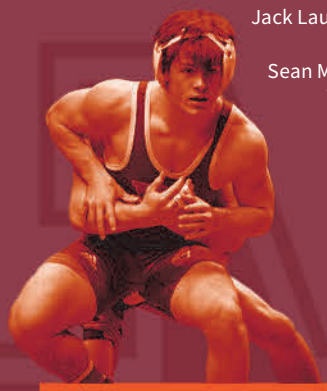
FInished ranked in the top 50 teams in the country by Max Preps and Perfect Game

Had 4 All-State players (Cole Van Assen, Zion Rose, Amir Gray, Jack Lausch)

Won the Super Prep Tournament in Atlanta, GA going 4-0 defeating #1 ranked team in the country in IMG Academy and #16 Baylor School, TN

Jack Lausch won the Lawless Award for best senior player in the CCL

Sean McBride won the Lawless Award for Coach of the year in the CCL



# WRESTLING

The Crusader Mat Men had an unbelievable year capped off by senior Tommy Bennett winning a State Championship at 170lbs. Nate Chirillo and Colin Ashley also placed at the State Championship this year as well. Other outstanding performances came from Pat Galleher and Jimmy Hogan as they delivered to beat Oak Forest and allowed us to qualify for the Elite 8 in state. Wrestlers like Connor Nelligan, Al & Gabino Perez, Chuck Connelly, James Bennett, and Bobby Conway also were able to wrestle at state because of an incredible team effort. The 2021-2022 Crusader Wrestlers will forever be remembered! Hail our Crusader team!

## VARSITY SPORTS:

- Basketball
- Bowling
- Golf
- Hockey
- Lacrosse
- Rugby
- Swim & Dive
- Track & Field
- Volleyball
- Water Polo
- Tennis
- Bass Fishing

# SCHOOL NEWS

The Brother Rice Office of Student Life has had an unbelievable year. With a mission of creating opportunities for students to get involved to build a sense of community and brotherhood, Brother Rice has hosted a variety of events, including social opportunities with Mother McAuley High School. In September, we hosted over 200 student from Brother Rice and Mother McAuley for a Bags Tournament. Students competed with classmates or on co-ed teams and enjoyed SNODAZE Tropical Sno and Nicky V's Food Truck at Gary Little Stadium. This February, Mother McAuley hosted our Best of Both Worlds Trivia Night as part of our Catholics Schools Week celebrations. And for the 5th year in a row, Crusaders and Mighty Macs will come together to raise money for Special Olympics at the Chicago Polar Plunge in March. Both, Brother Rice and Mother McAuley are committed to offering our students the best of both worlds- a strong single gender education and the benefits of sharing a campus with co-ed social events.

## MICHAEL ARUNDEL '23

Across the nation, only one-tenth of 1 percent of all students who take the ACT test earns the highest possible score of 36, and current Brother Rice High School junior Mick Arundel did so on his first attempt. The son of Mike and Marla Arundel of Oak Lawn, Mick graduated from St. Catherine of Alexandria before choosing Brother Rice, and he attributes his success to his parents' support and the preparation he has received at both schools.

## CAREER DAY

On Friday, March 24, Brother Rice hosted their 28th Career Day. The day is a great opportunity for alumni and current Crusaders to connect. Alumni that are in industries from all over the world came into school to talk with our students about their careers. There were over 80 alumni that presented to our Crusaders, starting from the Class of 1961 all the way to the Class of 2017. That alone says a lot about the Brother Rice community and how much we all really care for each other. Students are so fortunate to have these men explain their career and how they reached their goals. It is an awesome opportunity for students to really think about their own futures. They can discover careers they really like or ones similar to it.

It was another successful and beneficial Career Day for our students that reflected on it very seriously.

# BROTHER RICE LEGACY

"The will of God be done in everything we undertake." These inspiring words by Brother Edmund Rice infuse the four cornerstones of academics, family, involvement, and spirituality that our wonderful school offers families and their sons. One such family rooted in the cornerstones of Brother Rice High School is the Morrison family.

Mike and Megan Morrison live in Most Holy Redeemer Parish with their four children. Mike graduated from Brother Rice in 1993, earned his teaching degree from the University of Illinois in 1997, and is a teacher at Lyons Township High School. He joins his father Bill '64 and brother Bill '89 as proud Crusader alumni. Regarding his time at 99th and Pulaski, Mike reflected, "I was greatly influenced by great teachers and men like Tom Mitchell. My career choice shows the tremendously positive experience I had while at Brother Rice. Both Megan and I feel blessed to send our sons to Brother Rice, a second home where our sons will develop into men."

Mike's father Bill said, "As a 1964 graduate, I have spent my entire life ingrained with the education provided by Brother Rice. Whether it was in the Army or in the trucking industry, it served me very well. I am also grateful for the Brother Rice education our sons received that led to their successful lives. We have also been privileged to watch our grandson Jack during his time as a Crusader. Thank you for all you have done for us, Brother Rice."

Megan currently works in the main office at Brother Rice and also has deep connections to our school. Her maiden name is O'Malley and four of her brothers, Bob '83, Joe '85, Bryan '87, Dan '92, and her nephew Marty '15, are all Crusader alumni. Bob said, "Four years at Brother Rice gave me a lifetime joy of music, a love of playing in bands, and discipline from my years in the football program. Most importantly, I learned compassion from caring teachers."

Numerous years of Catholic education have shaped Mike and Megan's four children. Oldest daughter Vivian graduated from Mother McAuley High School in 2022. She is pursuing a nursing degree from Illinois State University and looks forward to helping others for a career. Molly, a sophomore at the home of the Mighty Macs, is the youngest Morrison daughter.

Two Morrison sons will one day call themselves Brother Rice alumni. They make-up the third generation of Crusader Morrisons. Jack is currently a senior, who has been a peer minister, Kairos participant, student ambassador, four-year member of the football and track teams, and was named a captain and the MVP of the 2022 football team. Jack's time with the Crusaders epitomizes the well-rounded education offered at Brother Rice as he was able to pursue religious and academic growth while maximizing his physical abilities on the gridiron and track.

Youngest Morrison child Charlie is a sixth-grader at Most Holy Redeemer School. He will soon walk the halls of Brother Rice High School and take his rightful place alongside his family members as a man forged in the teachings of Edmund Rice.

"Act Manfully in Christ Jesus" is the motto of our strong educational community. The Morrison and O'Malley men listed above, and soon Marty, Jack, and Charlie, live this motto each day as loving husbands, supportive fathers and successful professionals. The Brother Rice High School teachers, coaches, and staff helped build a foundation in these men that led them to thrive in all arenas of life. May God bless all adults from Brother Rice who have shaped thousands of Crusaders into men who are always acting with the will of God and continue to act manfully in Christ Jesus. The Morrison family has definitely been blessed through their experiences at Brother Rice High School.

GO CRUSADERS!

# CIRCLE OF CHAMPIONS

## Class of 2022
## Honored at Homecoming

**About The Circle of Champions**

On Friday, October 14, 2022, Brother Rice celebrated and honored the newest inductees into **The Circle of Champions**, the Athletic Hall of Fame. Congratulations to this exceptional group of Crusaders. These 12 individuals and teams embodied what it means to be a Crusader. Their accomplishments on the field of competition served them well as they have all become exceptional men in life and embody our school motto to "Act Manfully in Christ Jesus."

The list of accolades earned by this incredibly talented group of Crusaders is awe-inspiring. **The Circle of Champions** provides an opportunity to celebrate these individuals who excelled on the courts, fields, mat, track, and in the pool at Brother Rice. Not only did they excel as student-athletes, but they went on to build successful careers in various walks of life.

The men who will be inducted have paved the way for our current and future student-athletes. The great tradition of Brother Rice Athletics continues to thrive due to the hard work and dedication of the ones that came before. Their achievements serve to inspire all members of the current Brother Rice community. Through **The Circle of Champions**, we can remember and share their excellence.

# ALUMNI NEWS

## HALL OF FAME

On Thursday, April 28, 2022, Brother Rice celebrated and honored six men and welcomed them into the Alumni Hall of Fame. Earl Pearlman ‘61, Jerry Sweeney ’81, and 4 members of the 86’ers,  Ed Coghlan, Ari Paxinos, Ed Reid, and Jim Walsh. Each man represents what is unique to Brother Rice and a Christian Brother Education. Congratulations to our six newest members of the Alumni Hall of Fame.

## MICHAEL MASSEY ‘16

After graduation, Michael went on to a decorated career at the University of Illinois, including All-Big Ten and National Gold Glove honors. In 2019, he was drafted in the 4th round of the MLB draft by the Royals. He led the minor leagues in extra base hits and won another Gold Glove. This July, Michael was called up to the big leagues as he became the everyday second baseman for the Royals in August and September, proving he belongs in the MLBwith his sensational defense and explosive bat.

## FOUNDATION GOLF OUTING

What a great day we had at the Napleton Brothers Foundation Classic at Ruth Lake Country Club on Monday, October 3, 2022. Over 130 golfers joined us for a great day on a beautiful course for the benefit of some exceptional young men. Over $217,000 was raised for the Brother Rice High School Foundation. Thank you to the Napleton brothers, Ed '69, Steve '71, Jerry '73, Paul '76, Bill '79 and Bob '81 for their continued efforts to benefit our Crusaders.

## CAAC GOLF OUTING

On September 18th, the Crusader Alumni Athletic Club (CAAC) held the "Shaun Jacob Memorial Golf Outing" at Ridge Country Club. This was the CAAC's 11th annual golf outing, which is named after its founder and legendary Crusader, Shaun Jacob '93, since 2020. The outing, which brought together over 100 Crusader alumni and friends, raised a staggering $71,000! The proceeds from the outing go directly toward the CAAC, which has now raised over $1.25M in direct support of Crusader athletics since 2010. This summer/fall, the CAAC was the lead donor on the incredible revamp of the Brother Rice Strength and Performance Center. The CAAC leadership team is composed of Jack Winters '98, Mike McAlinden '97, Matt McGinnis '05, Tim Kevin '05, Brian Barkowski '95 and Tim O'Connell '03. The CAAC is always looking for passionate Crusader alums to join the cause; contact Tim O'Connell '03 (toconnell@brrice.org) if you are interested.

# BROTHER RICE HIGH SCHOOL 4th ANNUAL
# Be Exceptional Gala

## SATURDAY MARCH 4TH

6:00pm - 11:00pm
Lowes Hotel Chicago
455 North Park Drive

Brother Rice High School is proud to announce that the 4th Annual Be Exceptional Gala will be held on Saturday, March 4, at the Loews Chicago Hotel. Please save the date to join us as the Be Exceptional Gala committee anticipates another successful event and expects a sold-out crowd. This event plays a significant role in assisting Brother Rice High School in providing an affordable Catholic education to our families, especially those with the greatest financial need.

# CRUSADERS GIVING BACK

## Immersion Trips

**20,000+ Community Service Hours Last Year**

In 2022, Brother Rice students attended their first immersions with the Edmund Rice Christian Brothers. We call the immersion program "Meet the Missions" because, for the young Crusaders who go on the trips, they get to meet and work with the students at two of the three Mission schools for the North American province of the Edmund Rice Christian Brothers. The main idea is to get our students to see the world through the eyes of those made poor in the world.

In April, over Easter Break, six Crusaders and two teachers went to Lima, Peru. The Brothers own a house in Lima just for the immersion program. We celebrated Good Friday as the people of Lima would celebrate it. It was an amazing experience! On Holy Saturday, we worked with a group of women who work together to feed their families. They call it a "common pot." They women create an economy of scale by each person brings what they can afford, and together they cook their one meal of the day for their families. We celebrated Easter Sunday by attending an Easter sunrise mass, then took a tour of the Miraflores neighborhood of Lima. Later that night, we took a bus to a remote area outside the city of Lima called "Jicamarca." There, over the course of three days, we met Sra. Raquel and her family, then tore down her old house, built her a new house, then poured new concrete floors, and painted her new house. After that, we returned to Lima to meet our new friends, the students at Fe y Alegria No. 26, which is the ER school in Lima, one of our Mission schools. We saw firsthand the benefits they receive from the mission collection from Brother Rice. At the end of the immersion, our students became tourists by traveling to Machu Picchu.

Lastly, this November, we took six young men and a teacher to Brownsville, Texas, to work on the border, to greet and work with migrants who are released by the US Border Patrol. The highlight for many of our young men was working with children in a Catholic Charities Respite Center in McAllen, Texas. On this trip, we worked with two other Edmund Rice schools from New Jersey and Burnaby, British Columbia. We spent a day working at Guadalupe Regional Middle School, which is another of our Mission schools. It is the only tuition-free school in all of Texas. We had lunch with the students and ate dinner with the faculty to learn about the good work they do at that school, and we learned how our mission donations help keep the school open and help many students living in poverty in Brownsville.

# LEAVE A LEGACY
## TO BROTHER RICE HIGH SCHOOL

**You** *may have considered a significant gift to Brother Rice High School but hesitated because you thought it prudent to preserve all of your capital for personal and family security. To ensure that money will be available if needed, you might consider deferring your gift until the end of your life through a charitable bequest in your will. Making a planned gift is a wonderful way to show your support and appreciation for Brother Rice and its mission while accommodating your own personal, financial, estate-planning, and philanthropic goals.*

## OPTIONS INCLUDE:

### Gifts by Will
Make a gift that costs nothing now.

### Gifts That Pay You Income
Do you want to support Brother Rice but worry about having enough income for yourself and your loved ones? Life-income gifts can provide donors with an income stream, significant tax savings, and the satisfaction of supplying Brother Rice with vital long-term resources.

### The Charitable Lead Trust
Transferring property to Brother Rice and individuals you wish to benefit is not always an either/or proposition. With careful planning, you may be able to arrange your transfers to accomplish more than one objective. For example, if you have assets that are appreciating, children who may want to start a business in the future, and a desire to assist Brother Rice, you may wish to consider creating a charitable lead trust.

### Gifts from Retirement Plans
You may consider using retirement-plan benefits to make a significant gift that will support Brother Rice. Because of the estate- and income-tax treatment of retirement-plan benefits, the cost of your gift to your estate and heirs is often relatively small.

### Gifts of Assets
The simplest way to support Brother Rice is through cash gifts. Creative gifts of assets can include stocks, bonds, and property (real estate and/or personal property such as artwork). These not only provide you with charitable deductions but also offer additional tax savings.

For more information and useful tools on determining the best plan for you and your family visit

**Have you included BR in your estate? Would you like to learn more about how to include BR in your estate? Scan the QR code now.**

# HONOR ROLL OF DONORS
