BROTHER RICE

2026 - 2027 VIEWBOOK

WE ARE BR

Since 1956, Brother Rice has been forming young men into "Brothers for Life". Built on a foundation of faith, accountability, and brotherhood, the Brother Rice experience is unlike anything else in the Chicagoland area. Whether in the classroom, on the athletic field, or in service to others, our students are challenged to grow and are surrounded by a community that celebrates every step of that journey.

At Brother Rice we know you are not just looking for a high school. You are looking for a place where you belong, where you will be challenged, supported, and celebrated as you grow into the man you are meant to be. At 99th & Pulaski, academic rigor meets creative freedom, and our dedicated faculty personally know and invest in every student, while 20,000+ proud alumni stand as proof of what a Brother Rice education can produce.

Choosing Brother Rice means choosing more than a high school. It means joining a brotherhood that will shape who you are, sustain you through what comes next, and walk with you long after you have crossed the stage. "Brothers for Life" is not just a phrase. It is a promise, lived out by every man who has walked these halls.

The Brotherhood is forever.

THE MISSION

For over 70 years, Brother Rice High School has fostered a community of faith where young men are accepted, recognized, valued, and challenged to grow. Customized curricula prepare students for college and life-long learning while our many sports teams, clubs, and activities provide endless opportunities to get involved and build friendships that will last a lifetime.

BROTHER RICE HIGH SCHOOL
ACT MANFULLY IN CHRIST JESUS

WHO ARE WE

MARK DONAHUE

Head of School · Class of 1974

As Head of School, it is my privilege to lead Brother Rice High School and ensure that everything we do is guided by our Catholic faith and the charisma of Blessed Edmund Rice. My responsibility is to provide the vision and leadership that keeps our mission at the center of every decision while ensuring Brother Rice continues to thrive academically, spiritually, and financially for generations to come. Working closely with our Board of Directors and our leadership team, I oversee the school's Catholic identity, academic excellence, enrollment, advancement, campus, student life and, long-term strategic direction.

Brother Rice is an exciting place for young men to learn, grow, compete, and discover who they are called to become. Our leadership team—including the Dean of Academics, Dean of Student Life, Dean of Spiritual Life & Campus Ministry, Athletic Director, Chief Financial Officer, and Chief Development Officer—is committed to providing an exceptional experience for every student and family.

At Brother Rice, you'll experience the power of the Brotherhood while receiving an exceptional Catholic education. We invite you to discover why Brother Rice is one of Chicago's premier Catholic high schools for young men.

The Deans

PATRICK MCGOWAN
Dean of Spiritual Life

My work centers on helping the young men of Br. Rice encounter and commit to the Gospel of Jesus Christ in the classroom, on retreats, and through service and advocacy in ways that will shape their character, choices, and sense of purpose. This mission stands in the tradition of Blessed Edmund Rice, who built educational communities of faith committed to excellence and solidarity with the poor and marginalized. I look forward to teaching in the classroom and walking with your sons outside it as they grow in faith. In this work I will have many partners, including Father Kevin Gregus, our school chaplain. I hope to count you as a partner as well, since passing on the faith works best when parents commit to their son's formation. I look forward to meeting you so that together, we can support the brotherhood as our sons grow into young men of integrity, compassion, and love.

MATT PRUNCKLE
Dean of Student Life
Class of 2004

I am excited to continue working to ensure that every student is actively involved in the life of Brother Rice by helping him discover and pursue his interests, talents, and passions through clubs, activities, and leadership opportunities. With my increased responsibilities, I look forward to collaborating closely with our Deans of Students and Counseling Department to take a more intentional and proactive approach to supporting students. Together, our goal is to create an environment where every Crusader feels a sense of belonging, receives the support he needs to succeed, and is challenged to grow academically, socially, emotionally, and spiritually as a leader called to live out our school motto, "Act Manfully in Christ Jesus."

JOHN ROLENCE
Dean of Academics

As Dean of Academics, my goal is to build upon Brother Rice's tradition of academic excellence by ensuring every student is challenged, supported, and equipped to reach his fullest potential. A key priority is continuing to develop a comprehensive system to track academic growth from admission through graduation, using classroom assessments, PreACT and ACT results, and other performance measures to identify strengths, address areas for growth, and make informed instructional decisions. I am equally committed to supporting our faculty through collaboration, professional development, and continuous improvement initiatives that promote engaging, data-informed instruction. Together, we will continue to strengthen a culture that values academic rigor, critical thinking, and lifelong learning while preparing our students for success in college, careers, and lives of faith and purpose. By working collaboratively and focusing on measurable growth, we can ensure every Crusader has the opportunity to thrive in the classroom and beyond.

WE ARE

More Than A High School

Choosing a high school is one of the most exciting and important decisions you and your family will make throughout your educational journey. At Brother Rice, we understand that this can feel overwhelming, so we make it as easy as possible to provide the answers you need. We do not just want you to choose a school; we want you to find your brotherhood.

Our **Open Houses** give you a full look at everything Brother Rice has to offer. Tour the building, meet our faculty, connect with current students, and discover firsthand why so many young men call 99th & Pulaski home. There is no cost to attend and no pressure - just an open door and a community ready to welcome you.

If you want to see what a real day at Brother Rice looks like, sign up for a **Shadow Day**. You will be paired with a current Crusader and spend a full school day alongside him in class, giving you an authentic feel for life as a Crusader before you make your decision.

The Brother Rice Brotherhood is not something you can fully understand until you experience it. Come see for yourself.

"Brothers for Life" starts here.

Experience Life as a Crusader!

The best way to find your brotherhood is to experience it firsthand. Join us at one of our Open Houses for a full look at everything Brother Rice has to offer, or sign up for a Shadow Day and spend a full school day alongside a current Crusader. As you explore BR, do not miss the many events and experiences that make life at 99th & Pulaski unlike anywhere else.

WE ARE

Scholars, Innovators, & Leaders

APEX

Academic Pursuit of Excellence

An accelerated, rigorous curriculum for high-achieving students, featuring honors, Advanced Placement, and dual credit courses that challenge students academically while providing opportunities to earn college credit.

COLLEGE PREP

A comprehensive college preparatory curriculum that builds a strong academic foundation, develops critical thinking and communication skills, and prepares students for success in college, career, and life.

FOCUS

Fostering Organization, Confidence, Understanding, & Success

A personalized college preparatory curriculum that provides individualized support through smaller class sizes, a dedicated resource space, and differentiated instruction that strengthens executive functioning skills, empowering students to maximize their potential.

The Mount Sion Program

The Mount Sion Program is a special education inclusion program designed to meet the unique needs of students with moderate cognitive disabilities or significant learning disabilities. This program offers a balanced approach to education by combining small group instruction with inclusion in general education classes, ensuring that students receive both personalized attention and opportunities for social and academic integration.

For more information: *www.brotherrice.org/mount-sion-program*

Individualized Catholic Education Plan

An Individualized Catholic Education Plan (ICEP) ensures that students with diverse learning needs are fully included in the life of the school academically, spiritually, and socially. Plans are developed collaboratively between our faculty, counseling staff, and families so that every student is known, supported, and set up to thrive.

CRUSADER SEMINAR

At Brother Rice, we are committed to forming young men who are prepared to thrive in high school and beyond. As part of our mission, all freshmen take **Crusader Seminar**, a one-semester course designed to build a strong foundation for success—academically, socially, and spiritually.

Through engaging and practical lessons, students strengthen the unique sense of brotherhood that defines the Brother Rice experience, while growing in leadership, character, and faith. Crusader Seminar helps each student live out our school motto: *"Act Manfully in Christ Jesus."*

WE ARE

Preparing for the Next Step

- **Dedicated Counselors:** Our Counseling Department work with students on college and career planning from freshman year through graduation, truly getting to know the student and his family to make the best post-Brother Rice decision.

- **College Fairs and Visits:** Over 200 colleges and universities visit Brother Rice annually.

- **ACT Prep Courses:** Free courses for Chicago residents as well as paid courses for non-residents

- **College Day for Juniors:** A day of information sessions presented by college age alumni, counselors, and college admission officers that help prepare juniors for the college application process

- **SCOIR:** A college and career building website where students and parents can research and develop lists of potential colleges and careers based on student interest.

- **Seven Dual Credit College Courses:** Offered in conjunction with St. Xavier University, Lewis University, and Moraine Valley Community College

- **Scholarships:** Average award offering of $292,474 per student who reported scholarships for the class of 2026.

The Class of 2026 is a testament to what Brother Rice produces. Our rootball team won a state championship. Our baseball team played at Wrigley Field. Our underwater robotics team advanced to the world championships. Beyond the accolades, these young men dedicated countless hours to service through Edmund Rice Camp, Kairos retreats, mission trips to Tennessee, Peru, and Texas, and 20 seniors served as peer mentors in our Mount Sion program. They arrived as students and left as "Brothers for Life," joining a proud brotherhood of over 21,000 alumni who have gone on to become physicians, attorneys, educators, engineers, and leaders in every field imaginable. ***The diploma a Brother Rice graduate earns is more than a piece of paper. It is a symbol of the man he has become.***

WE ARE

Men of Faith, Purpose, and Service

*The Brother Rice motto **"Act Manfully in Christ Jesus"** means to have the courage to do what you are supposed to, when you are supposed to do it. It's about putting others first, leading by example, and being someone others can count on. Acting this way means serving those in need and using your strengths to make a difference. It's following Christ's lead—not to be served, but to serve.*

KAIROS

Kairos is a four-day off-campus retreat for juniors and seniors. *Kairos*, translated from Greek, refers to "God's Time." Faculty and student-led retreats are designed to bring the candidate away from his hectic daily life and let him examine what he wants in life, how he got to that point, and how he can move forward in his relationship with God and others. According to our graduates, attending a Kairos retreat proved to be one of the best decisions they made at Brother Rice.

Theology Classes

At Brother Rice, faith is not an elective. All students complete four years of theology, ensuring that faith formation runs alongside every other dimension of a Crusader's education. These are not classes students simply pass through. They are formative experiences that shape how a Crusader sees himself, sees others, and understands his place in the world.

PEER MINISTRY

Peer ministers take on many leadership roles in the school. Planning all-school masses and leading confirmation retreats for area grade schools are some of the many ways our students are able to build upon the Brother Rice cornerstone of spirituality.

ADVOCACY

The community service program follows the vision of advocacy of our founder, Blessed Edmund Rice. Through service projects such as mission trips and community outreach, our teams identify with those marginalized by poverty and injustice with an emphasis on discovering the causes of marginalization. Students are required to perform Christian service for all four years. They can participate in three immersion trips per year to Brownsville, Texas; Rutledge, Tennessee; and Lima, Peru.

EDMUND RICE CAMP

Edmund Rice Camp is a free summer camp lead by our Peer Ministers for children in neighboring parishes. Edmund Rice Camp allows the students to grow in self-esteem, confidence, and spirituality as they become society's future leaders.

CRUSADER ATHLETICS

BOB ALBERTS '85 | Athletic Director

Brother Rice Athletics is where tradition, excellence, and character come together to create an unmatched student-athlete experience. For generations, Brother Rice has been recognized as one of the premier athletic programs in Illinois, built upon a commitment to hard work, discipline, sportsmanship, and competitive success. Our student-athletes are challenged to pursue excellence both on the field and in the classroom while embracing the values of faith, leadership, and brotherhood. Whether competing for championships or developing lifelong skills, our athletes represent our school with pride and integrity, carrying forward a legacy that extends far beyond the final score.

"Brother Rice has changed me in so many ways, especially academically. The teachers challenge and support you every single day, no matter the subject. Every teacher is committed to helping students succeed and reach their full potential.

What truly sets Brother Rice apart is the brotherhood. You're surrounded by classmates who encourage one another to be their best—not just in the classroom or on the field, but in life. Everyone pushes each other to grow, succeed, and become better young men. That sense of support and camaraderie is unlike anything I've experienced anywhere else."

LIFE AS A CRUSADER

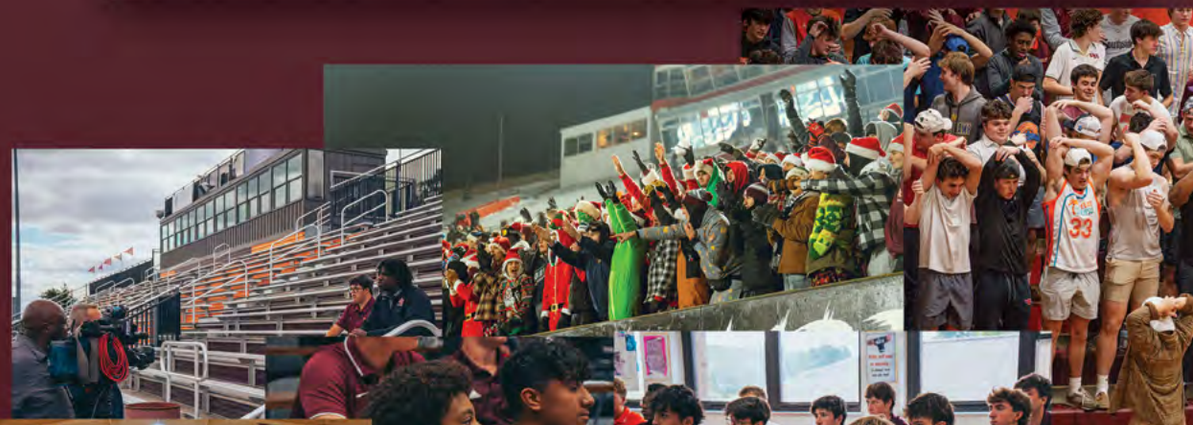
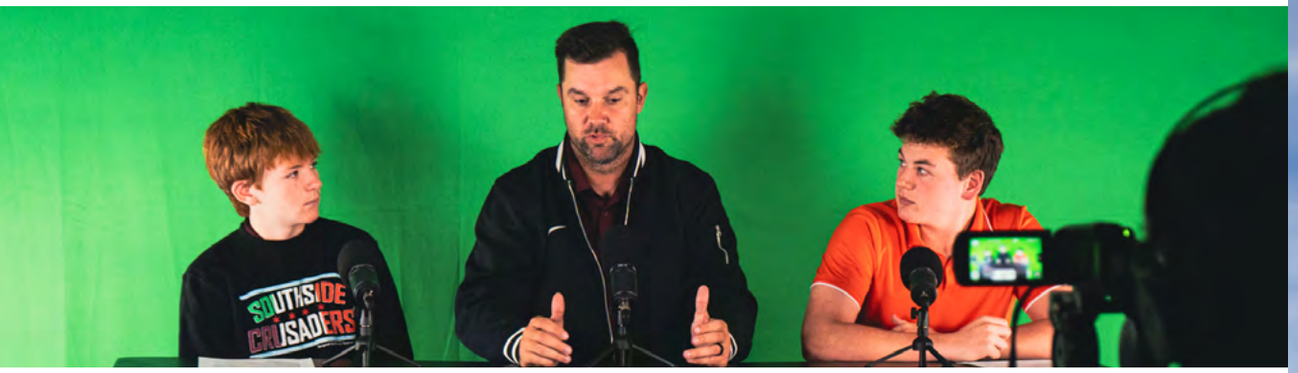
St. Germaine School

"My time at Brother Rice has exposed me to new opportunities I would never have at any other school. In October 2025, I had the opportunity to fly to New Jersey for a leadership conference focused on advocacy. I organize and lead several advocacy projects within the school, encouraging students to participate. Additionally, I have peers who push me both academically and athletically. Whether it be in the classroom or on the volleyball court, my teachers, classmates, coaches, and teammates always encourage me to keep persevering and make every effort towards my goals."



FIND YOUR PATH



Crusaders have the flexibility to pursue elective coursework aligned with their career interests. These courses allow students to explore their passions early on and gain a competitive edge for college and career. Counseling and Support Services

At Brother Rice, no Crusader navigates his journey alone. From the moment a student arrives as a freshman, he is assigned a dedicated counselor who will walk alongside him for all four years, building a relationship grounded in trust, consistency, and genuine investment in his success. Counselors meet individually with students each semester to assess progress, identify opportunities for growth, and provide support whenever it is needed. Beginning in junior year, students are connected with our dedicated College and Career Counselor, who guides them through test preparation, college applications, major exploration, and personal essays. Through our investment in Scoir, students and families have access to a comprehensive college and career readiness platform that makes the path forward clearer and more manageable. At Brother Rice, the support does not stop at academics. We are committed to the whole person, and that commitment lasts all four years.

The Student Success Center

The Student Success Center exists for one purpose: to make sure every Crusader has the tools he needs to succeed. Open before and after school, it provides a structured environment where students receive personalized academic support, develop strong organizational habits, and access tailored accommodations to meet their individual needs. At Brother Rice, asking for help is not a weakness; It is what Brothers do for each other.

Here to Help

Greg Nye ‘90

Chief Development Officer | gnye@brrice.org

As a Brother Rice alumnus, the father of two Brother Rice graduates, and a member of our leadership team, I have experienced firsthand the lasting impact of a Brother Rice education. I can personally attest to the outcomes we help shape throughout a young man’s four-year journey. Our students graduate with a deep commitment to faith, strong character, lifelong brotherhood, confident leadership, and a renewed sense of purpose. These qualities prepare them not only for success in college and their careers but also for a lifetime of meaningful achievement, service, and leadership.

I invite you and your family to visit our campus and experience Brother Rice firsthand. Walk our halls, meet our students and faculty, and witness the brotherhood that defines our community. I am confident you will discover why generations of families have entrusted Brother Rice with the formation of their sons and why our graduates leave prepared to lead lives of faith, purpose, and lifelong success.

Cordell Chavers

cchavers@brrice.org

My name is Cordell Chavers, and I serve as a recruiting coordinator and assistant football coach at Brother Rice High School. I am passionate about building meaningful relationships and helping students discover opportunities to succeed both academically and personally. Guided by faith, service, and integrity, I strive to mentor young people, connect them with opportunities, and encourage them to reach their God-given potential. My mission is to develop leaders, create lasting connections, and leave every person and every program better than I found it, always giving God the glory.

Casey Quedenfeld

cquedenfeld@brrice.org

My goal for every young man who walks through the doors of Brother Rice is simple: to help him become the best version of himself. Whether it is in the classroom, on the field, in service to others, or in his faith life, I want every Crusader to give his best effort in everything he does. The values of commitment, discipline, and accountability that students build here do not stay within these walls. They shape who our graduates become as neighbors, friends, brothers, husbands, and citizens. A Brother Rice education is not just a four-year experience; It is a lifelong investment in the man your son is meant to be. I look forward to welcoming your family to the Brotherhood.

Jack Zampillo ‘18

Choosing a high school is one of the most exciting decisions you will make in your educational journey. As a proud alum, Brother Rice provided me with a transformational experience that challenged me to grow into the person I am today. It is my mission to instill future generations of Crusaders with the knowledge and confidence to explore their passions and grow into outstanding members of our community.

FINANCIAL AID

Brother Rice High School partners with our alumni and benefactors, as well as foundations and scholarship grant organizations, to offer a comprehensive range of aid to help families afford the cost of tuition.

FACTS Tuition Management

Brother Rice partners with FACTS Tuition Management to ensure a fair and consistent financial aid process for every family. FACTS provides a confidential assessment of each family's financial circumstances, which is then reviewed by our Financial Aid Committee to determine need-based assistance. Applications for the Class of 2031 are due January 8th, 2027.

$2 Million
in financial aid provided for
'26-'27 school year
(Average award: $3,500)

Internal Scholarships

Brother Rice's internal scholarship program is made possible through the generosity of our alumni, families, and benefactors who believe deeply in the value of Catholic education. Each scholarship carries its own eligibility criteria and selection process, allowing us to recognize and support students with a wide range of talents, accomplishments, and backgrounds. Full scholarship descriptions and qualifications are available at BrotherRice.org.

External Scholarships

Brother Rice proudly partners with several independent organizations that provide additional scholarships and grants to qualified students. Our admissions team works closely with each organization to connect families with every opportunity available to them. Current partner organizations include the Daniel Murphy Scholarship Foundation, HighSight Scholars, HFS Chicago Scholars, Big Shoulders Fund, Daniel P. Haerther Scholars Program and The Howley Foundation.

All applications close in January 2027 and are reviewed by admissions and finance department during the admissions process. Financial aid award packages are sent with acceptance packets for incoming freshmen.
